- School Supplies

Check with Roommate:
Before you bring these items, check with your roommate first!
- Television
- Stereo
- Video Game System
- Refrigerator
- Carpet/Area Rug
- Furniture
- Cordless Telephone

Organizing Your Room
While room configurations vary from hall to hall, here are a few basic items you should bring:
- Pillow(s)
- Pillow Cases
- Fitted Sheets (60” extra-long twin)
- Flat sheets (80” extra-long twin)
- Comforter/Blanket
- Sage Protector/Power Strip
- Stackable Crates
- Reading Light/Desk Light
- Alarm Clock
- Posters
- Headphones
- Cleaning Supplies
- Masking Tape for Posters (see below)
- Fan

What NOT to Bring to Campus
There are certain items which are not permitted in Notre Dame residence halls. Save space (and headaches) and do not bring any of the following items.
- Large Refrigerator (your fridge cannot exceed 3.5 cubic feet)
- Microwave (every residence hall has a kitchen with a microwave)
- Hot Plates, Coffee Pots, etc.
- Toaster, Toaster Ovens, "George Foreman-type" grills
- Air Conditioners (including dual purpose fans/AC units)
- Pots (non-carnivorous fish are OK, but tanks may not be larger than 30 gallons)
- Self Stick Floor Tiles, Carpet Tape
- Nails, Adhesive Squares, Poster Putty (see below)
- Candles, Incense, etc. (including any items with open flames)
- Halogen Lamps with bulbs higher than 300 watts
- Ceiling Fans
- Water Bed
- Keep in mind that First Year Students are not allowed to have cars

About "Lofts"
Many rooms have been outfitted with modular furniture. As such not all room configurations are eligible for the construction of elevated bed structures (aka lofts). Before you purchase wood, tools, loft kits, etc. consider the following:
- Some rooms restrict the construction of elevated beds.
- If your room has modular furniture, you cannot construct an elevated bed structure.
- Room furniture may not be removed or exchanged. Whatever is in your room when you arrive must stay in your room.
- Keep in mind that all lofts must be broken down in late April, prior to room inspections.
- For more information on modular furniture, visit our website at: http://orlh.nd.edu/housing/undergrads/

About Computers
The Office of Information Technology (OIT) manages all computer resources and technology on campus.

In order to assist you with preparing for your arrival, check out the computer specifications page at: http://oit.nd.edu/techspecs.html. Here are a couple of items to consider:

Every room has wireless internet and an Ethernet jack for residents to connect their computers to the ND network. Students must provide their own Ethernet cable.

Due to available space in typical residence hall rooms, the ORLH encourages students to consider purchasing laptop computers.

For more info, visit: http://oit.nd.edu

About Posters
Chances are you will be hanging up pictures, posters, and other items on the walls of your residence hall room. Please be advised that certain items may damage walls, including:
- Duct Tape
- Scotch Tape
- Electrical Tape
- Poster Putty
- Adhesive Squares
- Thumb Tacks
- Nails

Damages to walls will be billed at the end of the year. Do yourself a favor and buy a couple of rolls of masking tape so you don’t get billed for damages from use of other adhesive products.

About Shipping
Package/Shipments sent to the University must arrive after you check-in to the residence hall.

Packages that arrive before you do will not be accepted. With this in mind, be sure to indicate the shipping date to your shipper. Here is the address format to use:

Your Name
University of Notre Dame
Room # Residence Hall
Notre Dame, IN 46556
