Dear Class of 2024,

Each new edition this summer, we will share information about one of our colleges or schools. This week, click below to enlarge your Welcome Letter from the First Year Advisors for the Mendoza College of Business!

YOUR NEXT STEPS

Prepare for Your July Advising Meeting

Remember, before meeting with your advisor, you must complete several necessary course-building tasks. Included in the First-Year Student Registration Preparation Guide are links to First-Year Sample Schedules and University Seminar descriptions, which continue to be updated. A USEM is a part of the Writing requirement for the Core Curriculum and may be taken either in the Fall or Spring semester of your first year at Notre Dame.

If you've already met with your advisor, be sure you've completed any follow-up items as directed.

YOUR ACADEMIC JOURNEY

As you've entered into our community this summer, you've likely already utilized inside.nd.edu. However, the tools and applications listed within the site will be beneficial for you not only now, but throughout your scholarship as a student at Notre Dame. Resources here can be helpful in all dimensions of your life on campus, from printing assignments, viewing hours of operation, and searching the internal ND directory.

YOUR NOTRE DAME

Welcome Week 2020 is quickly approaching! As anticipation for your arrival on campus grows, be sure to check out Welcome Week’s Twitter and Instagram media. Content here will help you prepare for your new life as a Notre Dame student!

YOUR TO DO LIST

1. Use the First-Year Student Registration Preparation Guide to complete the required items before you meet with your advisor in your July Advising Meeting.
2. Review the resources and guides listed on the Summer Advising Meetings and Resources page here.
3. Complete the available tasks in the Just Around the Bend Sakai Site—paying particular attention to deadlines.
4. Explore the Welcome Week website and social media to learn more about your first days on campus.

Our Notre Dame community continues to monitor and respond to the developing risks of the coronavirus pandemic to students, faculty, and staff. While we will communicate all major announcements, here.nd.edu is the new resource to stay up to date on our return to campus.
