Believe in yourself!

Whether or not you are the academically strong as you once thought. We want you to know we believe in you, we are working with fellow first-year students, participants consistently site LRC sessions as a helpful resource. For example, they may be able to get help with their studies, then it might be time to learn a new way of learning. The Guaranteed 4.0 Learning System teaches you to learn efficiently and effectively with methods that coincide with the way your brain functions. Let’s take the next steps together.

Advising and Resources

Advising Support

As you continue to take these next steps of your Notre Dame journey, remember to meet with Your First Year Advisor. First Year Advising offers an in-person, drop-in option. If you need immediate assistance, we encourage you to utilize that option. It is available from 9:00 AM - 12:00 PM and 1:00 PM to 4.30PM. We look forward to seeing you!

Course Support

Remember to meet with Your First Year Advisor if you are interested in being an editor, a writer, or onboard a college or industry team. Please send jpg images to firstyear@nd.edu.

The College of Science Fall Undergraduate Research Fair is a great way to learn about the many different opportunities to get involved at Kellogg. Freshmen, sophomores and juniors are encouraged to attend the Kellogg Information Meeting to learn more about programs and how to get involved at Kellogg.
