As we head into our last month together on campus, below is information to help you begin preparing for final exams and Spring registration. Remember that your advisor is always available, should you have questions or need more information about university rules, regulations, processes and procedures.

**HAVE AN EXAM CONFLICT?**

Here’s what you need to do

The Undergraduate Academic Code states that “no student shall be required to take more than two final examinations in one day or more than three examinations in a 24-hour period.”

Final exams are administered from November 16th to November 20th. Students have until November 9th to report any exam conflicts.

Any student with exam conflicts should complete an exam conflict eForm in inside.nd.edu or navigate to the academic eforms page. The exam schedule is available on the Registrar's Exam's webpage.

**ARE ALL YOUR AP SCORES RECORDED?**

If you have AP scores that you still need to report, it is not too late. Go to “My Test Scores” in inside.nd.edu and check to see which of your scores have been recorded. If any are missing please send your College Board Student Score Report to your advisor.
