OPEN YOUR MIND AND HEART

Dear Member of the Class of 2024,

The distinct Notre Dame undergraduate experience is more than attending class and getting good grades. It involves the whole person, being active on campus, and developing a sense of community. The Notre Dame experience is centered on the development of the whole person, where you will find your passions and realize your potential. The first step in this journey is to ask questions and get involved. That’s why we’ve put together some resources to help you as you take your first steps here on campus. Everything is designed to help you learn efficiently and effectively with methods that coincide with the way that your brain learns. The Guaranteed 4.0 Learning System teaches you how to best engage with the campus community, reach out to your First Year Advisor!

Course Support
The Student Success Center’s Academic Support Program provides free, one-on-one academic support sessions for students across Notre Dame. Whether you’re interested in learning strategies, time management, or more effective study habits, the Academic Support Program will help you succeed. Learn more about the Learn More about the LRC here!

---

Advising Support
Your first-year advisor is your go-to person, but they are not the only people who can help you. Whether you’re interested in learning about a particular major, investigating the policies and procedures regarding course discontinuance, or just need to register for classes, these offices and programs are here to help. Learn more about the Admissions Support! Need to learn more about Course Discontinuance?!

Featured Event:
The College of Science Fall Undergraduate Research Fair is a great way to learn about the many different opportunities to get involved with research. The Fair will be held on Wednesday, October 20th, from 10:00 AM to 1:00 PM in the Atrium of the Rice Library. More information and a complete schedule of lab talks can be found here. 

---

From the Colleges
The Linguistics and English Language Learning Program (LELLP) is designed for students who wish to improve their English language skills. The program offers a range of courses and workshops, including English as a Second Language (ESL) classes, English for Academic Purposes (EAP) courses, and one-on-one tutoring. Learn more about the LELLP Program here!
