Dear Member of the Class of 2024,

In order to help you prepare for registration on December 9, we would like to know a little more about where you are in the major discernment process. Below is a link to a questionnaire with a few questions about your major and minor plans. It will only take you two to three minutes to complete.

We have also included a link to the 2021 Spring Registration Guide. The goal of the guide is to provide you with information on First-Year, Core and Major requirements. The guide will also walk you through the class search process in NOVO.

After class search goes live on Monday, November 9th, we will send you details on how to access the registration planner which you will use to register for Spring classes. In the meantime, your advisor will be in touch to provide more specific information on college and major requirements.
