Login using your NetID

https://classsearch.nd.edu/
In the keyword search field, enter either the CRN or subject code and number.
Searching by Course Title

If you know the course title, click on the down arrow to search for the subject or department offering the course.

Enter keywords from the course title.
Use the ADVANCED SEARCH functions to search by specific requirement and/or other criteria.
All of the choices that match your search criteria will be listed in the *Search Results*.
When selecting sections, double check the **Section Notes**. Some courses such as Calculus and God and the Good Life require you to match specific lecture sections with specific tutorial or discussion sections.
Select a section with available seats and ADD TO PLAN.
All courses added will be listed in the My Plan column.
Any registration issues, such as missing prerequisites/corequisites, time conflicts, restrictions etc. will be listed for each course. Courses that you are already registered for will have a check mark beside them.
Once you have selected at least five 3+ credit courses, plus Moreau, click on SAVE PLAN.

This will direct you to the NOVO registration page.
NOVO Registration Page

Click on **Add/Drop Classes**
Select Spring Semester 2021 and click *Continue*
Click on Plans tab
You can elect to **Add All** of your classes to your schedule at once or add them individually.

If you need to change sections, you can do so by clicking on **View Sections** and making your new selection.
Click **Submit** to register for your selected courses.
Click on Submit a second time to remove the sections with errors and return to the CRN tab to select new courses.

Registered classes will be highlighted in green. Classes with registration errors will be in red.
To select alternative courses, click on the **Enter CRNs** tab and enter your new selections.

Click **Add to Summary**

Click **Submit**
Look for **Save Successful** at the top of the page and **Registered** next to each course at the bottom of the page to verify that you have successfully registered for all your Spring semester courses.
Tips for Registering

- Make sure there are no registration error icons showing in your plan when you submit it to

- Prioritize which courses are most important and submit them in order of priority. If you are registering for corequisites, submit both at the same time.

- Check the section notes. Some courses have specific tutorial or discussion sections corequisites and these sections will be listed in the section notes.

- Make sure you have a list of alternative CRNs to enter, should your initial choices be unavailable.
