Welcome Home from the First Year Science Advising Team!
The First Year Advising Science Team is delighted to welcome you to Notre Dame! Are you interested in the College of Science? Read their welcome message and learn more about opportunities in the classroom and beyond!

LOVE THEE @ND.EDU

After today, The Center for University Advising, Welcome Week, and our campus partners will communicate with you via your ND Gmail Account only. The email address you provided in your application to Notre Dame will no longer receive messages. (If you have not yet accessed your new Notre Dame Gmail account, please click here.) Be sure you check your ND Gmail account daily!

WAS IT WORTH IT?

As the 2020-21 academic year draws to a close, we asked students to reflect on what it meant to be "HERE." We can’t wait for you to join us "HERE" on campus this Fall!

START EXPLORING
Your first year as a student at the University of Notre Dame will be one of exploration and discovery. This journey can be now! Check out the Your First Year by Month resources as the Center for University Advising walks with you each step of your first year!

YOUR STEPS THIS WEEK

1. Activate and Use your NetID and ND Gmail Account - this should be your new primary email address for all things Notre Dame
2. Review and Plan with the First Year Advising Summer Calendar and Check List
3. Complete the Center for University Advising Summer 2021 Questionnaire before May 27
4. View and track your Summer 2021 Student To-Do List and Enrollment Tasks - especially the IRISHPAY task due May 25

Make sure you haven’t missed any previous editions of "First Steps Home.” Visit Our First Year Communications at firstyear.nd.edu.

Questions? Contact us at firstyear@nd.edu or (574) 631-7421.
