Welcome Home from the First Year Advisor for Architecture!

The First Year Advisor for the School of Architecture is happy to welcome you to Notre Dame! Are you interested in the School of Architecture? Read her welcome message and learn more about how the School emphasizes that architecture is “a prism through which to learn about and solve the problems of contemporary life. It uses the past as a way of informing the future. . . Architects are asked to act, and through their work, to illustrate a vision about how the world ought to be.”

Are You Ready for Registration?

Remember, Course Registration takes place from July 23 - July 28. Check your Registration Time in NOVO, prepare your PATH plan, and be in touch with your First Year Advisor.

A step-by-step guide to registration can be found online Course Registration Resources!

What’s the Deal with Time Tickets?

Each student will be issued a Time Ticket for course registration. Your Time Ticket is the date and time that you can be registering for courses within NOVO. Time Tickets are assigned randomly, though we will ensure that Time Tickets are assigned evenly across all colleges and schools. Visit “Registration Status and Holds” in NOVO (via InsideND) to view your Time Ticket.

How long is the Time Ticket active?

Watch Katrina Higgins on IGTV (starting at minute 20:40) for a quick explanation!

So, What is Writing and Rhetoric?

Check out First Year Advising’s Instagram for helpful notes on the Core Curriculum, Nuts and Bolts of Registration, and more!

Did you score a 4 or above on the AP English Language and Composition test? See how your score relates to Writing and Rhetoric (WR 13100) on the First Year Advising AP Exam Credit page!

What about Moreau FYE Registration?

As a means of enriching the integration of your intellectual, extracurricular, and residential experiences, you must register for a Moreau FYE section that corresponds to your housing assignment. We call the result of this process the "Moreau Neighborhoods." Confusing? Don’t worry, the Moreau First Year Experience Registration Guide is coming to your inbox next week! You’ll have all the information you need well in advance of Registration.
