1. Use the AP Score Report Check (above) to confirm your test scores.

2. If you took AP Exams and want to know whether or not Notre Dame received your scores, please log in to "My Test Scores" online.

3. If you did not take AP Exams but have AP coursework that you think you may have earned credit for, please check your most recent grade report and note the classes you earned credit for.

4. If you did not take AP Exams and have received AP course credit from other institutions or think you may have earned credit through other methods, please check your most recent grade report and note the classes you earned credit for.

NON-REPORTED AP SCORES COULD SIGNIFICANTLY IMPACT YOUR REGISTRATION OPTIONS.

Confusing? Don’t worry, we have held some back. As registration continues, more seats will be added.

About 24 hours after the University receives scores, they will be translated into credit, if the score meets our standards. To find out what credit you can receive, go back to InsideND, and click "Grade History." This will be important if you are using AP credit as a prerequisite for a follow on course.

Over the course of two days, approximately 2000 first-year students will be registered for classes. To ensure all students have equitable access to seats, we will begin registration in waves.

Each college will have a Registration Help Zoom Meeting in which First Year Advisors and Peer Advisors will be available to answer your questions and help you get registered in real-time. You will receive an email with the link for your college’s Registration Help Zoom Meeting before your Time Ticket becomes active.

Your First Year Advisor may have told you that we will be sending a survey to confirm your AP scores, and the score will be used to register you the week of August 2.

Please register for courses through NOVO.

If you won’t have access during any of these periods, we’ll help you register. Simply fill out this form.

Registraions will open again to everyone and you’ll have until 12:00 AM EDT on August 1 to continue making changes.

In this special edition of "First Steps Home," we’re excited to offer a few final reminders, guides, and tips for registering. There are several helpful sections:

- The Moreau FYE Registration Guide
- BUILD YOUR PATH PLAN
- Course Registration Resources!
