FINISH THAT TO-DO LIST!

On Monday, Aug. 9, you received notice that the final two items on your Summer Enrollment To-Do List have launched! Click below to make sure you’ve checked off all of those required items, including the newly-available AlcoholEDU and Building Community the Notre Dame Way resources.

HOW'D WE DO?

Please take five minutes to let us know how First Year Advising did this summer. We appreciate your feedback on the advising and registration processes to make the experience even better for next year’s class!

WANT TO GET YOUR FIRST CHOICE?

All first-year students must register for a First Lecture by Aug. 13, 2021. Welcome Week’s “First Lecture Series” is designed to model and describe ways of growing as a scholar at Notre Dame. Faculty from across all colleges and schools will aim to inspire you to recognize yourself as an active participant in the Notre Dame scholarly community and enter into a new era of scholarship and discovery. Registration is on a first-come basis, so register ASAP!
